In order to be eligible for financial aid, a student must be enrolled in an eligible degree or certificate program, and must be enrolled in courses required by program. According to our records, your program does not qualify as an eligible program, and you are not eligible to receive financial aid.

[PLEASE NOTE: If you have received a Bachelor's Degree you cannot be enrolled in an AA Degree program].

Please return this form to the financial aid office if you change your program, so we may continue the processing of your financial aid.

I am now enrolled in an eligible program.
